

Withdrawal of sponsorship application

I, _____ the Principal Applicant/Cosponsor/CG representative of the sponsorship for: _____, would like to withdraw the case from IRCC due to the identified reason below. Please check the appropriate box and provide the necessary proofs.

1. I was not able to contact the refugee(s) since _____
DD-MMM-YY

*We tried to email the refugee(s) on the following dates:
We tried to call the refugee(s) on the following dates:*

2. I received information that the refugee(s) voluntarily moved back to their country of origin.

Please attach an email/letter from the refugee confirming this.

3. I received the information that the refugee(s) were resettled to another country.

Please attach documents that confirm that the refugee(s) has resettled to another country.

4. I received information that the refugee(s) was involved in fraudulent activity, including identity fraud.

Please describe your concerns in detail, and provide any evidence that corroborates your allegation.

5. I received new information regarding the refugee(s) that will result in demands the cosponsor cannot meet (e.g. special medical need, addition of family members).

Please provide the details of this new information and why you cannot meet the new demands.

6. I received information that the refugee applicant does not meet eligibility or admissibility criteria.

Please provide the details of this new information.

7. I have reason to believe that the refugee will not remain in the expected community of settlement for the duration of the sponsorship period.

Please provide any information confirming your belief.

8. Other reason

Please specify:

Please attach the completed requisition form to release all funds related to this case.
